The image shows a screenshot of the Carbon Patent Group website. The header features a blue maple leaf logo and the text "Carbon Patent Group" next to a hamburger menu icon. Below the header, the text "commercial reality." is partially visible. A paragraph of text describes the firm's services: "Carbon Patents does one thing; we secure and manage patent rights in Canada. Our team works across **life sciences, pharmaceuticals, chemistry, medical devices, software, electrical, mechanical, and emerging technologies.** We have the depth of experience to handle complex subject matter and the focus to get it right."

A dark blue award banner is highlighted with a red rectangle. It contains a gold medal icon on the left, a shield icon on the right, and the following text: "Recognized in the inaugural **2025 edition of Best Law Firms in Canada** with a Metropolitan **Tier 1** ranking for Intellectual Property Law in Vancouver."

Below the banner, the text "WHY CARBON" is partially visible. At the bottom, a large heading reads "What Sets Us Apart. Precision, experience, and results you can trust." followed by a light gray rounded rectangular button.
